SCHEDULE C
FORM OF PATENT ASSIGNMENT

ASSIGNMENT

WHEREAS, Imagen Co., Ltd. (hereinafter "Assignor"), a company organized under the laws of Korea, is the owner of the entire right, title and interest in and to the inventions disclosed in the patents and patent applications on the schedule attached hereto and incorporated herein by reference as Exhibit A and in and to such patents and patent applications.

WHEREAS, aTyr Pharma, Inc. (hereinafter "Assignee"), a Delaware corporation, having a place of business at 221 Nassau Street, Princeton, NJ 08542, is desirous of acquiring the entire right, title and interest in and to such inventions and patent applications;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer to Assignee, its successors and assigns, the entire right, title and interest in and to such inventions, such patent applications and such patents and any patents, and any reissues and extensions thereof, which issue or have issued in any country upon patent applications which correspond with any of such applications or patents or any divisional, continuation-in-whole, or continuation-in-part thereof, including the right to sue and collect for past infringement; the same to be held and enjoyed by Assignee for its own use, and for the use of its legal representatives, to the full term for which such patents have been granted as fully and entirely as the same would have been held by Assignor had this assignment not been made.

Assignor does hereby further covenant and agree that it will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor, its successors and assigns, will at any time upon request without further additional consideration, but at the expense of Assignee, its successors and assigns, execute such additional writings as Assignee, its successors and assigns, may determine as necessary and desirable to perfect title in and to this assignment of rights, including those required in any proceedings or transactions involving such inventions, patent applications or patents.
